

Specifications: Advance Shipment Notice (DESADV D.07A)

DESADV Spec

Note: Package structure sequence order = Inner, Outer, Packaging Aid Material

Examples:

---> inner, outer package, packaging aid material(s)

---> inner - inner- outer package, inner-inner-outer package, packaging aid material(s)

Consecutive outer packages sequences cannot be processed (inner, inner, outer package, outer package)

Example: 4 boxes, 2 pallets, 1 packaging aid material

CORRECT SEQUENCE = inner, inner, outer package, inner, inner, outer package, packaging aid material

INCORRECT SEQUENCE = inner, inner, inner, outer package, outer package, packaging aid material

Outer package is required when using a packaging aid material

Packaging aid materials cannot exist on their own
