How Contract Hire works

Contract Hire from MAN FinancialServices offers a complete package, enabling you to hire the use of a commercial vehicle against a fixed period and anticipated mileage. When the contract period ends, you simply return the vehicle to us and, providing it meets the return conditions and mileage parameters agreed at the start, you have nothing more to pay.

You can configure your contract to include any of the following additional options, giving you a complete, worry-free solution:

- Road Fund Licence over the contract period
- Repair and maintenance
- Replacement tyres for the vehicle^{#1}
- European breakdown cover
- Collection and delivery

^{#1} In accordance to fair wear and tear policy
