

WELCOME TO MAN TRUCK & BUS

Directions to the Munich plant

WE LOOK FORWARD TO YOUR VISIT

These directions to the Munich plant will help you find the most direct route to us.

In Building V4, outside the **MAN East Gate**, is the central registration point for MAN Truck & Bus SE and the MAN Academy (Buildings A47 and A57). Parking spaces are available in multi-storey car park P50 behind Building V4 and in multi-storey car park P51 behind the bus forum. At the **MAN West Gate** please register in Building V9. Parking spaces are available in multi-storey car park P52 on the corner of the Rhoda-Erdmann-Straße and Bauschinger Straße.

Please note that you may have to wait a little at the registration point and allow a few minutes for this.

We wish you a good journey and a pleasant visit to MAN Truck & Bus.

Please ask your contact at which gate you should register.

HOW TO GET TO THE MUNICH PLANT

With this guide to the Munich plant, we are providing you with a rough orientation plan to help you get to us as directly as possible. However, we recommend that you contact your MAN business partner before traveling to the Munich plant. Alternatively, you can use available digital tools such as navigation systems, the DE-Bahn or MVV timetable to find out the best way to get here, especially taking into account current traffic situations or roadworks.

By car

By motorway from Nuremberg (A9) or Deggendorf (A92):

At motorway interchange München-Neufahrn follow signs for Stuttgart on the A92 up to motorway interchange München-Feldmoching. Then continue towards Stuttgart on the A99 up to the München-Ludwigsfeld junction. Then follow signs for Dachau on the B304 up to the MAN East Gate. Access to the MAN West Gate is via the Otto-Warburg-Straße and the Bauschinger Straße.

By motorway from Stuttgart (A8):

Follow signs for Munich and then for Salzburg on the A99 up to the München-Ludwigsfeld junction. Then as under "By motorway from Nuremberg".
