FCC Compliance Statement
This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage; (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

ISED Compliance Statement
This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions: (1) This device may not cause interference; (2) This device must accept any interference, including interference that may cause undesired operation of the device.

SIMPLIFIED EU DECLARATION OF CONFORMITY
Hereby, Skullcandy International GmbH declares that the radio equipment type [Model: S21YW] is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: skullcandy.eu/product-documents

DÉCLARATION DE CONFORMITÉ SIMPLIFIÉE DE L'UE
Skullcandy International GmbH déclare par la présente que le type d'équipement radioélectrique [modèle: S21YW] est conforme à la directive 2014/53 / UE. Le texte complet de la déclaration de conformité UE est disponible à l'adresse Internet suivante: skullcandy.eu/product-documents

DECLARACIÓN DE CONFORMIDAD SIMPLIFICADA DE LA UE
Por la presente, Skullcandy International GmbH declara que el tipo de equipo de radio [Modelo: S21YW] cumple con la Directiva 2014/53 / UE. El texto completo de la declaración de conformidad de la UE está disponible en la siguiente dirección de Internet: skullcandy.eu/product-documents

ISED SAR Compliance Statement
This equipment complies with ISRD radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. The portable device is designed to meet the requirements for exposure to radio waves established by the ISRD. These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value reported under this standard during product certification for use when properly worn on the body. Cet équipement est conforme aux limites d'exposition aux rayonnements ISRD établies pour un environnement non contrôlé. L'utilisateur final doit suivre les instructions spécifiques pour satisfaire les normes. Cet émetteur ne doit pas être co-implanté ou fonctionner en conjonction avec toute autre antenne ou transmetteur. Le dispositif portable est conçu pour répondre aux exigences d'exposition aux ondes radio établie par le développement énergétique DURABLE. Ces exigences un SAR limite de 1.6 W/kg en moyenne pour un gramme de tissu. La valeur SAR la plus élevée signalée en vertu de cette norme lors de la certification de produit à utiliser lorsqu'il est correctement porté sur le corps.

VEREENVOUDIGDE EU-CONFORMITEITSVERKLARING
Hierbij verklaart Skullcandy International GmbH dat het type radio-apparaat [Model: S21YW] voldoet aan Richtlijn 2014/53 / EU. De volledige tekst van de EU-conformiteitsverklaring is beschikbaar op het volgende internetadres: skullcandy.eu/product-documents

FORENKLET EU-ERKLÆRING OM OVERENSSTEMMELSE
Hiermed erklærer Skullcandy International GmbH, at radioudstyrtypen [Model: S21YW] er i samsvær med direktiv 2014/53 / EU. Den fulde teksten til EU-samsværserklæringen er tilgængelig på følgende internetadresse: skullcandy.eu/product-documents

YKSINKERTAINEN EU: N VAATIMUSTENMUKAISUUSVAKUUTUS
Tällä tavoin Skullcandy International GmbH vakuuttaa, että radiolaitteen tyyppi [Malli: S21YW] on direktiivin 2014/53 / EU mukainen. EU:n vaatimustenmukaisuusvakuutuksen koko teksti on saatavilla seuraavassa Internet-osoitteessa: skullcandy.eu/product-documents
