

The Audi Q3

All-round star

Quintessential **SUV**

The front end is dominated by the large Singleframe grille with vertical struts. From along the shoulder line to the rear lights, the headlights form a single design element. Choose from three equipment lines – Q3, Q3 advanced and Q3 S line. A palette of nine paint finishes are available, including pulse orange, chronos grey and turbo blue. For the wheels, you have the choice of up to 19-inch variants.

Top speed

206 km / h

0-100 km / h

7.4 secs

Maximum power

180 hp

Powerful, refined and efficient

The Audi Q3 is available in 3 trim lines. The Q3 Starter Pack: Nothing short of spectacular, with decorative inlays in micro metallic silver, 17" wheels, LED headlamps and all the tech you need. Intelligently practical. Advanced and beyond: For those who want more, the already striking design of the Q3 in Advanced trim is further emphasized with its expressive exterior equipment and 18" wheels. Not to mention, LED headlights, Audi Virtual Cockpit as standard features. S Line: Rolling out the red carpet, the S Line Audi Q3 has options exclusively available to you, and you alone. With wheels going up to 19" in diameter, LED headlamps featuring the Audi Matrix technology, dynamic indicators front and rear, here's the status update you've been waiting for.

Let's talk **tech.**

Best moments are when they're happening, and with the Audi Virtual cockpit, touch screen Audi MMI, Audi Smartphone interface, voice control and USB-C, they're happening right now.

You can electrically adjust the seats to your liking. Thanks to the long wheelbase, you and your passengers can enjoy a wealth of head- and knee room.

Just trust

The Audi Q3 offers you a range of driver assist systems to choose from. One highlight is the optional adaptive cruise assist⁷. It helps you accelerate, brake, maintain speed and distance as well as stay in lane.
