

The Audi Q8 e-tron

Setting the standard.

The brand with the four rings' pioneering new electric SUV is setting imposing expectations in the world of electromobility. With a larger battery, more driving range, and faster charging capabilities the Audi Q8 e-tron is in a premium class of its own.

Breaking boundaries.

It's no longer a compromise between responsible sustainability and potent performance; the Audi Q8 e-tron produces a mammoth 664Nm of torque and reaches speeds of 200km/h. With enhanced aerodynamics attained through inspirational engineering the Q8 e-tron is power, poise and predomination.

Breathless anticipation.

With the inimitable profile of Audi's top of the range SUV but sporting cutting edge electric motors, the Q8 e-tron not only provides a stealthy drive but inspires a moment of awed silence.

Details throughout the vehicle's interior feature an impressive combination of high performance, sharp intelligence, and unified design new colors and trims, as well as a panoramic sunroof which floods the interior with light, provide added delight for the senses.
