

**/ FAST FORWARD  
YOUR BUSINESS**

**fleetcare** 

**BRIDGESTONE**  
*Solutions for your journey*

Bridgestone, a global leader in tyres  
and sustainable mobility solutions, joins  
forces with Webfleet, Europe's number  
one fleet management solution.

fleetcare 

# WHAT IS FLEETCARE?

## An integrated tyre and fleet management solution

Delivered by a single mobility partner, Fleetcare is a modular and flexible solution for your tyre and fleet management needs.

### **Proven today. Ahead of tomorrow.**

Rising from two leading solutions to deliver outstanding value and to keep your business ahead of the market through continuous innovation.

# INTEGRATED TYRE AND FLEET MANAGEMENT SOLUTION

## **TYRE** MANAGEMENT

Tailor-made programmes, supported by state-of-the-art technology and convenient systems and processes, lower the Total Cost of Ownership of your fleet.

## **FLEET** MANAGEMENT

Telematics with Webfleet, Europe's number one fleet management solution, optimise your business performance and maximise the efficiency of your operations.

## **INTEGRATED** SOLUTIONS

Integrating tyre and fleet management into a single solution that delivers incremental benefits through innovative packages and data driven insights. All to move your business fast forward.

# OUR ENDEAVOURS

Discover how Fleetcare helps to fast forward your business:

## REDUCE COST OF OWNERSHIP

Drive savings across your entire operation thanks to predictive maintenance, optimal asset utilisation and fuel saving programmes.

## SAVE TIME

Improve your processes, free up resources and save valuable time to move your business forward.

## MAXIMISE CUSTOMER SATISFACTION

We help you to deliver a predictable service to your customers by maximising uptime and enhancing workflow management.

# OUR ENDEAVOURS

## ENSURE SAFETY AND SECURITY

We keep your assets safe and secure thanks to preventive tyre care, 24/7 asset tracking and real-time vehicle diagnostics.

## SUPPORT FLEET COMPLIANCE

With Fleetcare, we ensure the right condition of your assets and provide the support you need to comply with traffic and transport regulations.

## BUILD A SUSTAINABLE FUTURE

Route optimisation, green driving, multiple tyre lives... Fleetcare offers a complete set of solutions to save fuel and reduce your ecological footprint.
