

Single Hinged Pipe

The Single Hinged Clip is available in a range of sizes both ‘standard' format and ‘Flexi-Clip’ style.

Flexi Hinged Pipe

The Flexi Clip range offers the user a clip capable of holding pipe of varying diameters between an upper and lower limit.

Double Hinged Pipe Clip

To compliment the Single Clip, Talon also offers a range of Double Hinged Clips. Double Clips are easy to fit requiring only a single central screw fixing.
The Double Clip is designed for use in conjunction with Talon Pipe Cover see pages 27 - 31.
