PRODUCT CATEGORY:

Kudos Aqua4ma Linear Shower Deck & Wetrooms System

A stylish linear waste shower deck expandable to a wet floor system or a complete wet room solution.

PRODUCT TYPE:

Linear waste shower deck and wet-room

Aqua4ma Linear with its stylish tiled drain cover features the patented in-floor galvanised steel tray and a pre-shaped extruded uPVC shower deck which is waterproof and safe to walk on even before tiling. It can be fitted to both wooden and solid floors and can be expanded to either a wet-floor or a complete wet-room with the addition of Aqua4ma floor and wall panels. Panels are joined with solvent weld to form a solid structure that is guaranteed waterproof for life.

FEATURES:

- British Made & Guaranteed for Life against material or manufacturing defects
- Ultra low 19mm shower deck
- Fits to existing floor or false floor created at joist level
- Deck size: 1185 x 900mm, easily extendable
- simple and quick to install with no drying times
- Deck design allows for the avoidance of joists for easy waste connection
- Suitable for wood or solid floors
- Stylish tiled drain insert
- Easy to tile with no angled cuts required
- Suitable for large and small tile formats
