

Accessories

You deserve it.

Developed with precision to fit perfectly, Hyundai Genuine Accessories have been designed, manufactured and tested to the same rigorous standards as your all-new KONA. So its outstanding quality and durability will never be compromised.

Genuine Mats

- Different specifications of material to meet your expectations
- Designed for a perfect fit
- Durable safe fixation ring and anti-slip backing

Genuine Tow Bars

- Rigorous testing as per the Original Equipment Manufacturer standard
- CARLOS BC for bike carrier usage and CARLOS TC for Trailer/Caravan usage ensuring complete safety
- E-coat painting process for effective rust prevention

Genuine Cross Bars

- Engineered to maximise usage of the roof load capacity of your vehicle
- Designed to reduce aerodynamic noise
- Rigorous testing as per the Original Equipment Manufacturer standard

Genuine Wheels

- Structural integrity guaranteed by intensive testing
- Developed according to the Original Equipment requirements
- In line with Hyundai Original Equipment specifications

The accessories in this brochure are applicable for KONA MY 2018 (page 1 to 23) and for KONA Electric MY 2019 (page 24 to 31).

You choose it.

Your distinctive all-new KONA makes a clear statement. About how you see yourself. Choose the Genuine Accessories that ensure you live your life to the full. With a small SUV that is as brash as it is stylish.

You create it.

Add that personal touch with these Styling Accessories. Such that everyone is amazed by your KONA's quite unique appearance.

LED door projectors, KONA logo

LED door projectors, Hyundai logo

LED door projectors, Hyundai logo

Introduce more finesse into the darkness, by featuring the Hyundai logo on the ground next to your open front doors. Projected with a clear focus and distinct radiance - for a refined touch to every entrance.

99651ADE00H

99651ADE90 (additional LED connection kit to be purchased)

Available from summer 2019

LED door projectors, KONA logo

Groundbreaking, ground-illuminating. These LED door projectors are activated every time your KONA's front doors are opened - shining a subtle yet sharp glow on the ground for a uniquely stylish entry, complete with the KONA logo.

Ski & snowboard carrier 600

Ski & snowboard carrier 400

Xtender ski & snowboard carrier

Cross bars, aluminium
Get more space for your adventures. These secure, light-weight cross bars are purpose-built for the KONA roof rails and easy to install. So you can set off on future trips with all you need. Only suitable for cars with OE roof rails. Maximum roof load of the vehicle is 80kg including all roof carriers and transport items.
J9211ADE00AL

Roof box 330

Cross bars, steel
Easy to fit, easy to trust. These steel cross bars are custom-made for your KONA, forming a secure and lockable basis for roof carrier systems and all your roof transportation needs. Only suitable for cars with OE roof rails. Maximum roof load of the vehicle is 80 kg including all roof carriers and transport items.
J9211ADE00ST

Cross bars, aluminium

Cross bars, steel

Bike carrier Active
All the biking pleasure, with minimum loading effort. This carrier makes it so easy with its quick-lock frame holder, smart wheel holders and adjustable quick-release straps. Carries up to 17 kg. Branded with Hyundai logo and lockable for added security.
99700ADE10

Bike carrier Active

Bike carrier Pro
Reduce the effort of loading and unloading on your next cycle trip with this premium carrier. Simply place your bike on the frame holder and you can adjust and secure it single-handedly at roof level using the convenient rotary knobs. Carries up to 20 kg. Branded with Hyundai logo and lockable for added security.
99700ADE00
99700ADE90 (adapter kit for steel cross bars)

Bike carrier for all tow bars

On day cycle trips or biking holidays, this carrier takes all the hassle out of loading and unloading. It carries two bikes with a maximum payload of 60 kg. Compact and theft-resistant, you can even open the tailgate with your bikes on the back! The bike carrier has a 13-pole socket. A 13-pole tow bar wiring kit or alternatively a 7-pole wiring kit along with the 7-pole to 13-pole adapter would be required for installation.
E823055001 (LHD)

Tow bar, detachable

Tow bar wiring kit

Tow bar, detachable

Detachable and above all dependable: You can rely on this corrosion-resistant steel tow bar to transport your cargo securely and efficiently. Featuring a 3-ball locking system, it can be simply detached. Maximum payload for bike carrier usage is 75 kg including bike carrier weight. Certified according to UNECE 55R.
J9281ADE00

Tow bar, fixed

Looking for a convenient and reliable solution to transport heavy loads on a regular basis? This corrosion-resistant tow bar gets full marks in all disciplines. Maximum payload for bike carrier usage is 75 kg including bike carrier weight. Certified according UNECE 55R.
J9280ADE00 (not shown)

Luggage net

Luggage net

Keep your things tidy, secure and easy to find while you drive. Designed for the load compartment floor, this durable and flexible net keeps fragile items from moving around your trunk. (Reference image)
85790F2000TRY

Dog guard

More comfort for passengers and a pet dog. Fitting perfectly between your KONA rear seatbacks and the roof, the easy-to-install grid is designed to keep a pet and cargo in the trunk area without restricting the driver's rearward view.
J9150ADE00

Dog guard

Tow bar wiring kit

Installation uses original vehicle connectors and a multifunctional trailer module which amplifies all necessary signals. Compatible with both conventional bulb and LED trailer lights and featuring audible warning for trailer turn indicator or brake light malfunction. The rear fog lamp of the vehicle is automatically switched off when a trailer is connected. Available with either a 7-pole socket with drainage holes to prevent accumulation of water or a 13-pole water proof socket housing. The 13-pole based system is prepared to manage all modern caravan functions. In order to use its full functionality please additionally order an extension kit.

For vehicles without prepared connector:
J9621ADE00CP (13-pole)
J9620ADE00CP (7-pole)
55621ADE01 (+15/+30 extension for 13-pole)

For vehicles with prepared connector:
J9621ADE10CP (13-pole)
J9620ADE10CP (7-pole)
55621ADE01 (+15/+30 extension for 13-pole)

Based on your actual tow bar usage, adaptors are available to temporarily change 7-pole to 13-pole or vice versa:
13-pole (vehicle) to 7-pole (trailer/caravan) adaptor: E919999137
7-pole (vehicle) to 13-pole (trailer/caravan) adaptor: 55622ADB00
Please consult your dealer for further information.

Important tow bar information

Maximum towing load capacity will depend on your car's specification. Please consult your dealer for further information. All Hyundai KONA Genuine tow bars are corrosion resistant, certified by ISO 9227NSS salt spray test, and comply with OE Car Loading Standard (CARLOS) - Trailer Coupling (TC) and Bike Carrier (BC) requirements.

You guard it.

Keep the cabin interior new and clean regardless of how much on-road or off-road fun you have with your all-new KONA.

Textile floor mats velour, with green accent

Textile floor mats velour, with orange accent

Trunk mat

Trunk mat, reversible

Trunk mat

Made-to-measure, made-to-protect. No matter what your cargo, this mat keeps your trunk looking like new for longer. Made from high-quality velour and featuring the KONA logo.

J9120ADE00 (non-reversible, full coverage)

Trunk mat, reversible

Enjoy double the protection with two flippable surfaces – high-quality velour on one side, and a resilient dirt-resistant finish on the other – to suit the whole range of different transports life brings with it.

J9120ADE10 (Hyundai logo, trunk area without right corner extension)

J9120ADE20 (KONA logo, trunk area with right corner extension, not shown)

Rear bumper protection foil, black

Covered and carefree. This black film gives you the peace of mind of knowing that the top surface of your rear bumper is protected from scrapes and scuffs.

J9272ADE00BL

Rear bumper protection foil, black

Rear bumper protection foil, transparent

Door sill protection foils, transparent (front)

Door sill protection foils, black (rear)

Rear bumper protection foil, transparent

Effective and simple protection: this discreet transparent foil shields your rear bumper from loading and unloading damage.

J9272ADE00TR

Door sill protection foils, transparent

Discreet yet dependable: protect your door sills from everyday scuffs and marks with these transparent foils, acting as a barrier for your paintwork. Set of 4.

99451ADE00TR

Door sill protection foils, black

These durable black foils introduce an unobtrusive protective barrier to shield your door sills from the impact of driver and passenger feet over time. Set of 4.

99451ADE00BL

Mud guard, front

Door handle recess protection foil

Mudguard kit, front and rear

Driving in bad weather or on rough terrain, these sleekly shaped custom-made mudguards form an effective shield protecting the underbody, sills and doors of your KONA from excessive dirt, slush or mud-spray.

J9F46AK000 (front, set of 2)

J9F46AK100 (rear, set of 2, not shown)

J9F46AK200 (front and rear, set of 4)

Door handle recess protection foils

From scratch-prone to scratchproof: these durable, transparent films protect the paintwork in your door handle recesses from any fingernail or other scratches.

99272ADE00 (set of 4)

Trunk liner

Trunk liner

From gardening tools to family pets – some cargo can be potentially wet or grimy. This durable and water-proof liner with raised edges will keep your trunk clean nonetheless. With a textured anti-slip surface to prevent loads moving around. Made-to-measure for the KONA.

J9122ADE00 (trunk area without right corner extension)

J9122ADE20 (trunk area with right corner extension, not shown)

Side door mouldings

Enhance your style, protect the looks. These mouldings add dynamism to your KONA's exterior while protecting the side bodywork from potential damage. Can be painted in your car's colour for one cohesive finish.

J9271ADE00BL (not shown, available from March 2019)

You enjoy it.

Give everyone a leisurely ride with a few special additions that match the spirit of you and your all-new KONA.

Ice/sunscreen

Rear seat entertainment cradle for iPad®

Business suit hanger

Take-away hook

Ice/sunscreen

Comfort and visibility, all year round. This screen shields your cabin from heat build-up on sunny days and prevents ice forming on your windscreen in freezing temperatures. Custom-made for the KONA, it is theft-proof when fitted.

J9723ADE00

Rear seat entertainment cradle for iPad®

Movies, apps, music and more. Your backseat passengers can enjoy full iPad® use with this cradle, conveniently mounted on the front seat back. It can be tilted and rotated for the perfect viewing angle. Fits to iPad® 1, 2, 3 & 4 and iPad®Air 1 & 2. Charging feature and iPad® not included.

99582ADE01

Business suit hanger

Crease-free clothing on arrival. Attach it easily to the front seat, then hang it in your office or hotel room. Must be removed if the rear seat is occupied.

99770ADE10

Take-away hook

This discreet yet effective hook lets you secure bags containing take-away food and drink in place, reducing the risk of any mishaps while driving. Mounted on the lower passenger side of the centre console (Reference image).

99743ADE00

Wind deflectors, front

Less turbulence, more comfort: keep raindrops from dripping in whenever you open your window slightly for a little fresh air with these aerodynamically formed wind deflectors.

J9221ADB00 (not shown)

You protect it.

Get ready for all those eventualities no one ever wants.
With these Hyundai Genuine Accessories.

Warning triangle

Safety vest

Safety bag

Touch-up paints

Warning triangle

Stay safe when stranded. This high-visibility warning triangle makes sure approaching motorists see you in time. Lightweight, stable and foldable, it is also compliant with the latest ECE-R27 standard, a legal requirement in most European countries.

99942ADE00

Safety vest

Maximum visibility for maximum safety, all day and night. This neon vest with reflective strips lets other motorists see you from a distance if you have to leave your KONA. It complies with EN 20471, a legal requirement in most European countries. One size fits all.

99941ADE00 (one vest)

Safety bag

Enjoy the added peace of mind of having this safety bag on board. It contains two safety vests, a warning triangle and a first aid kit compliant with the current DIN 13164:2014 standard, legally required in numerous European countries.

99940ADE00

Touch-up paints

Keep your paintwork in top condition with genuine touch-up paints for repairing scratches and stone chips, and protecting from corrosion – quickly, simply and effectively. Developed to precisely match the colour of your KONA. Please consult your dealer for the correct colour code.

Glasscoat

More protection, more shine: The advanced glass-coat formula shields your exterior from the effects of pollution, solvent, road salt, car washes and bird deposits – no waxing required. You can even use it to keep your carpets and upholstery clean from everyday dirt and stains.

LP982APE1BROH (bronze pack)
LP982APE1SILH (silver pack)
LP982APE1GOLH (gold pack)

Ice scraper with glove

Convenience without the cold chill. Keep your hand dry and warm while scraping snow and ice from your windscreen.

LP950APE01H

Glasscoat

Winter car care kit

Ice scraper with glove

Summer car care kit

Winter car care kit

This kit contains a bottle of concentrated winter screen wash to ensure that your wipers run smoothly over the windscreen, keeping it clear and free from road dirt, freezing rain and snow. Plus a windscreen de-icer pump spray that helps to clear frozen windows and prevent re-icing. An ice scraper speeds up the removal of ice, and a sponge wipes away condensation from the windows.

LP973APE109H (kit contains all the mentioned products)

The following are also available individually:

Windscreen de-icer spray (500 ml) LP973APE110H
Winter screen wash concentrate (-60°C, 1 l) LP973APE103H
Winter screen wash ready to use (-30°C, 5 l) LP973APE104H
Winter screen wash concentrate (-60°C, 500 ml) LP973APE102H
Winter screen wash concentrate (-60°C, 250 ml) LP973APE101H

Summer car care kit

This kit contains a bottle of concentrated summer screen wash to keep your view of the road crystal-clear and smear-free by removing oily deposits, dead insects and other residues. To remove really stubborn insect remains from the windscreen and headlights, there's also an insect remover spray. Especially formulated for alloy wheels, the rim cleaner spray doubles up as a high quality degreaser, and simplifies the removal of brake dust and grime. The extra sponge helps to wipe away tough blemishes from glass surfaces.

LP974APE102H (kit contains all the above mentioned products)

The following are also available individually:

Summer screen wash 1:100 concentrate (40 ml) LP974APE101H
Rim cleaner spray (500 ml) LP970APE101H
Insect remover spray (500 ml) LP970APE102H

You power it.

Your all-new KONA Electric means that enjoying all the style, versatility and fun of a compact SUV gets a new dimension: electric driving with no compromises. Choosing Genuine Accessories will maximise your enjoyment and flexibility.

You decide it.

Two charging cables are available for your all-new KONA Electric. Supplied with the car is the Mode 2 cable for use with domestic-type sockets. For faster and more efficient charging, also at public charging points, the Mode 3 cable radically reduces the time required to replenish the car's batteries.

Mode 3

Charging Mode 3 connects the electric vehicle with a dedicated electrical circuit via any AC charging point equipped with a Type 2 socket. Active communication between the charging point and the car is established to monitor charging point capacity, safety earthing integrity and the selection of the charging rate. It allows the car to turn off the power when its battery is fully charged. The improved communication and the higher charging current compared to Mode 2 enable a faster and safer charging performance.

Mode 2

Charging Mode 2 connects the electric vehicle with a non-dedicated electrical circuit via a domestic AC socket. Safety is assured by the In-Cable-Control-Box (ICCB) that is integrated into the Mode 2 cable. It monitors and relays relevant data concerning the KONA Electric, the charging process, and ensures that the charging current does not exceed necessary safety parameters.

Type-2 plug

Now adopted as the European standard in connection with electric vehicle charging, the Type 2 plug incorporates a unique, single- or three-phase pin arrangement that facilitates three different functions: power transmission, safety earthing and system communication. The majority of public charging points are equipped with Type 2 power sockets and combined with the single-phase Charging cable, Mode 3 provides the maximal possible charging speed for the KONA Electric.

Safety

Interlock in the vehicle and charging point

Smart

Communication between EV and charging points

Fast AC Charging

32 A, up to 22 kW

You connect it.

Charging your all-new KONA Electric could not be easier, smarter and faster. The high-quality Charging cable, Mode 3 is designed and engineered to function faultlessly and to withstand rough handling and extreme climatic conditions.

Charging cable, Mode 3

Charging cable, Mode 3
To maximise its full capabilities the Charging cable, Mode 3 is equipped with Type 2 plugs at both ends. The electrical contacts are made from solid metal, and the easy-to-use plug handles are designed to safely and slowly dissipate any heat build-up during charging. High-grade materials make this charging cable extremely resistant to severe twisting or bending. And extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type 2 plugs. The Charging cable, Mode 3 can be used for the day-to-day charging at public and domestic charging points that provide Type 2 sockets with up to 22 kW (250 V, 32 A).
