

The all-new i10

**Go ahead.
Make a big
statement.**

In life, it's the small things that make a big difference. Like the all-new Hyundai i10. With its fresh and expressive design and gigantic selection of cutting-edge technology – it's a clever companion that gives you the style and flexibility you need to Go Big.

#HyundaiGoBig

Go big and beautiful.

All flowing lines and muscular contrasts, the all-new i10's dynamic new look catches the eye in an instant. Featuring a lower roof and wider body, its lively design is like nothing else in the class. Inspired by the shape of human muscles clothed in athletic sportswear, the clean, smoothly muscled main body has been shaped to provide maximum inner space. And in the front, the dynamic headlamps and sculpted bumper underscore the bold stance to make a powerfully modern statement.

Get in
for a big surprise.

Precision roominess.

Inside the stylish new cabin, precise patterns, fresh textures and the latest multi-media technology welcome you with a clean and modern look. Inspired by the sharp technical graphics of athletic gear, soft surfaces and sharp lines abound inside the all-new i10. An eye-catching new 3D honeycomb pattern is featured on the dashboard and door panels for a sporty edge throughout the cockpit. The circular air-vents visually extend the dashboard into the door trim for a wider, more spacious feeling.

Connected Car Services.

Control your car from your smartphone – or with your voice. BlueLink Connected Car Services bring seamless connectivity directly into the all-new i10 with online voice recognition and a wide range of features to make your drive more convenient and enjoyable like: Find my car, Remote door lock & unlock and Destination send to car.

Stay in touch with Bluelink®

Enjoy seamless connectivity both in-car and with the app.

On top of the many clever features you can control with the Bluelink app, a free five-year subscription to Hyundai's LIVE Services is also included with the navigation system to let you make the most of Bluelink® Connected Car Services. Like for example with real-time traffic information to provide you with the fastest routes according to prevailing conditions. Save time on the road and enjoy precise arrival time estimates.

Destination send to car

Simply get in and press go. If your i10 is equipped with navigation, you can use the Bluelink app to search for destinations while outside of your car. Bluelink then syncs with your navigation system, loading the route so that it is ready to go when you are.

Find my car

Forgot where you parked? No problem. Just open the Bluelink app and the map will guide you there.

Remote door lock & unlock

Forget to lock your car? Don't worry, your i10 will let you know by sending a push notification to your smartphone. Then, after entering your PIN, you can lock or unlock your i10 using a button in the Bluelink app.

On-demand diagnostics

For more peace of mind, you can run a full vehicle diagnostic check on your vehicle's health using the Bluelink app on your smartphone.

Live fuel price information

Find fuel when you need it, at a nice price – the continually updated fuel service coverage provides you with current fuel prices and information on location, opening times, and payment methods.

On & off-street parking

Find a parking spot faster for more efficient and stress-free parking. The parking information features help you find and compare parking options in garages, parking lots and on the street..

Experience class-leading connectivity.

The all-new i10 offers you the most comprehensive connectivity in its class. The new 8" touch-screen mirrors the contents of your smartphone thanks to Apple CarPlay™ and Android Auto™. When equipped with the navigation system, a free five-year subscription to Hyundai's LIVE Services is included.

Charge your smartphone the easy way. The wireless charging tray conveniently located in the centre console lets you easily charge a compatible Qi-enabled smartphone without the use of cables. USB slots are also on board.

Perfect for small spaces and big moments.

City streets can get a bit crowded sometimes. So when it comes to navigating narrow intersections and squeezing into tight parking spaces, you'll love this clever city car's refreshing manoeuvrability. Measuring just 3.67 metres long and 1.68 metres wide, the all-new i10 combines a compact exterior with a roomy interior. So no matter if you're parallel parking in traffic or packing loads of luggage for a weekend get-away, the all-new i10 gives you plenty of cargo space and flexibility to live your life in a big way.

Four or five seats? Your choice.

Featuring more room for passengers than you would expect from a car this size, this compact space wonder fits everything your city life can throw at it. The all-new i10 is available with four or five seats. Thanks to longer wheelbase than its predecessor, the i10 offers plenty roominess for both front and rear passengers.

Clever details for more convenience.

Super storage

From the open compartment above the glove box to larger storage bins in the doors – the all-new i10 comes with plenty of practical and convenient storage spaces to fit your busy life.

Versatile load space

One of the biggest in the segment, the 252-litre boot is also very adaptable. The two-stage luggage board maximises space in the lower position, the upper position creates a level loading area for long items. And the one-hand folding split rear seats drop down quickly for 1050 litres of cargo space.

Rear view camera

Reversing made easy. The rear view camera system gives you an unobstructed look behind your i10 while in reverse gear.

**Efficiency never
looked this good.**

Depending on your preference, you can choose from two multi-point fuel injection petrol engines: a 1.0-litre 3-cylinder with 67 PS and 96 Nm torque, as well as a 1.2-litre 4-cylinder with 84 PS and 118 Nm torque. Both engines are available with two transmission choices.

Drivetrain technology.

Manual Transmission

The smooth-shifting 5-speed manual transmission is designed for fast, precise gearshifts.

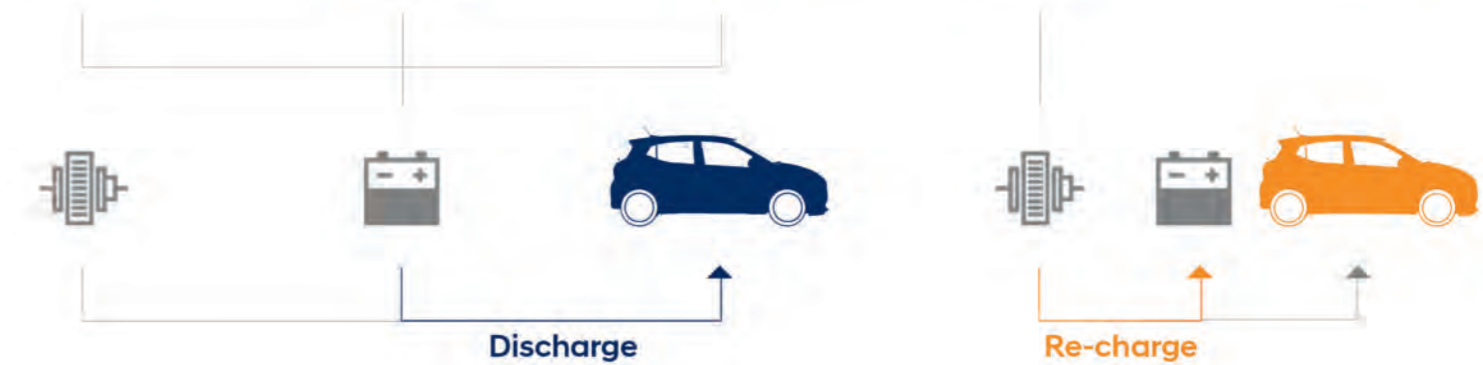

Automated Manual Transmission

The five-gear automated manual transmission (AMT) combines easy and relaxed driving like an automatic transmission with higher efficiency thanks to its lighter weight and reduced friction compared to a traditional automatic transmission.

Speed

Energyflow

Energy Regeneration System

More energy for better fuel efficiency. The all-new Hyundai i10 is equipped with an intelligent Energy Regeneration System (ERS), which captures the kinetic energy created by forward motion and uses it to power your car. As soon as you take your foot off the accelerator and coast in gear,

the system transforms kinetic energy into electricity and stores it in the battery. When accelerating, ERS then uses this electricity to power the on-board electrical systems, easing the load on the motor and increasing fuel efficiency.

Technology for safety and peace of mind.

The all-new i10 offers one of the most comprehensive active safety technology packages in its class, which includes Hyundai SmartSense – our cutting-edge Advanced Driver Assistance Systems – built to provide you with more safety and peace of mind. E-call is also on board as standard equipment. This feature automatically calls emergency services if you're in an accident and the airbags deploy. You can also push the SOS button for emergency assistance 24/7, 365 days a year.

Hyundai SmartSense

Lane Keeping Assist (LKA)

The Lane Keeping Assist (LKA) uses the front multi-function camera to monitor the lines of the road. In case of an unintended lane departure, it warns you and can apply counter steering torque to guide the car back to the lane.

Forward Collision-Avoidance Assist (FCA)

Sensing the road ahead with the multi-function camera, FCA warns you and then automatically brakes when it detects sudden braking by a car ahead. Includes pedestrian detection.

High Beam Assist (HBA)

Less stress and maximum visibility. HBA not only detects oncoming vehicles but also vehicles in the same lane ahead and switches to low-beam as appropriate.

Leading Vehicle Departure Alert (LVDA)

This clever feature for city driving alerts the driver when the vehicle in front departs from an idle state, like at a stoplight or in a traffic jam.

Driver Attention Warning (DAW)

When a pattern of fatigue or distraction is identified, the system gets your attention with an alert and pop-up message suggesting a break.

Intelligent Speed Limit Warning (ISLW)

Recognizes road speed signs and displays the speed limit in real time in both the navigation system display and instrument cluster.

Personalise your perfect version.

With 10 exterior colours and a two-tone roof available in black or red to choose from – you can personalise your own distinctive look with 22 colour combinations.

Polar White body colour is available as a two-tone version with the roof in Phantom Black or Tomato Red.

Phantom Black body colour is available as a two-tone version with the roof in Tomato Red.

Star Dust body colour is available as a two-tone version with the roof in Tomato Red.

Sleek Silver body colour is available as a two-tone version with the roof in Phantom Black.

Champion Blue body colour is available as a two-tone version with the roof in Phantom Black.

N Line – A strong statement, with sporty design.

Take it to the next level with eye-catching design elements inspired by the high performance N series. Next to a range of exclusive design features, the all-new i10 N Line also offers a sportier driving experience with the option of a powerful 100 PS engine.

Dynamic and Assertive. From every angle.

One look is all it takes to see the dynamism of the all-new i10 N Line. Its exterior design enhancements include a unique grille, skid plates and bumpers, giving it a sporty look all its own. The exclusive 16-inch alloy wheels and the LED daytime running lights highlight the distinctive design, emphasising the car's sporty attitude.

On the N Line, the unique X-shaped C-Pillar features the i10 logo in red, another sign that this trim level comes with a very sporty edge.

The aggressively reimagined front end features a sporty bumper and skid plate and is crowned by a unique N Line grille with red highlights.

Get into a whole new level of sportiness.

Sit down inside the all-new i10 N Line's upgraded cockpit and you'll feel its motor sport inspiration instantly. The exclusive N Line steering wheel and gearshift are enhanced by the red air vent rings set in a black finish dashboard. And the sporty seats offer red contrast stitching and more support for performance-oriented driving.

Customise your personal favourite.

With 5 exterior colours and a two-tone roof available in black or red to choose from – you can personalise your own distinctive look with 11 colour combinations.

Phantom Black body colour is available as a two-tone version with the roof in Tomato Red.

Polar White body colour is available as a two-tone version with the roof in Phantom Black or Tomato Red.

Hyundai Genuine Accessories.

**Make a big impression.
Coming and going.**

The smoothly muscled exterior of the all-new Hyundai i10 has been designed to give the car a sporty technical look while providing maximum inner space. This balance of precision performance and inspirational good looks is also reflected in Hyundai Genuine Accessories for the all-new i10. Developed hand in hand with the original Hyundai engineering specifications, these Genuine Accessories have been designed, manufactured and tested to the same rigorous standards as your new Hyundai i10. So no matter what you are looking for to complement your new i10, you can be sure that everything you find here is of high-quality and engineered for a perfect fit.

Little extras. Big difference.

Stand out from the crowd with this head-turning range of i10 styling accessories. From colourful styling kits, sporty body decals and bold alloy wheels to eye-catching LED lighting – customise your look and Go Big.

1. Door mirror caps
Add a striking design detail and colour accent to your i10's exterior with these door mirror caps. Available in exactly the same colours as the exterior styling kits.

2. Front lamp trims
Customise the dynamic new LED Daytime Running Lights with a front lamp trim to give your i10 an extra sporty edge.

3. Exterior styling kit
Dare to be different. With these styling kits, creativity is in your hands. Pick your accessory and choose your colours to make your i10 truly yours. Customise your look with side skirts, a tailgate trim line, and a rear trim line in Tomato red, Aqua turquoise or Phantom black. Mix and match individual parts or buy the whole kit. Whatever suits your style best.

Tomato red

Aqua turquoise
- 
Tomato red
- 
Phantom black

7. Decals, racing stripes

In life, things aren't always black and white, but they can be. With body decals available in Black and White – and if you like it more colourful there is Sea Blue as well – the i10 gives you four eye-catching possibilities to personalise your look. Designed precisely to enhance to dynamic lines of the i10's exterior, you can choose from sport stripes, speed stripes or racing stripes. And don't worry, if you can't decide which one you like best, you can combine the sport and speed decals for an even bolder look.

8. Decals, sport stripes
Enhance the flow with these head-turning sport stripes designed to highlight the sculpted lower waistline.

9. Decals, speed stripes
Highlight the sense of dynamic motion with speed stripes on the accent line that flows from the headlights to the taillights.

10. Entry guards

Make first impressions count. Welcome passengers to your cabin with these stainless steel, dual finish entry guards featuring the i10 logo.

11. LED footwell illumination

Accentuate the premium flair of your cabin with concealed illumination of the footwell. It creates a welcome glow of refined ambient light whenever the doors are opened and closed. Available in stylish blue and classic white.

11.

11.

11.

11.

12. LED trunk and tailgate lights

Never feel helpless again while trying to find some specific item in the dark. Or step into something while doing so. The LED trunk and tailgate lights come to life as soon as you open the tailgate. Enjoy perfect visibility in and outside your trunk!

12.

A big selection of bold wheels.

Beautiful and functional, these stylish alloy wheels make an unforgettable first impression. Upgrade your ride with a bigger set of bold wheels created with Hyundai's high precision standards of engineering and design.

Big time comfort.

In life, it's the little things that make a big difference. Like the precision fit ice/sunscreen that keeps the heat out in summer and puts an end to bothersome windshield scraping in winter. And from a clever business suit hanger to an iPad® cradle for your back seat passenger's viewing pleasure, we have created a wide range of comfort accessories for the i10 that makes getting where you're going more relaxing – for everyone.

1. Ice/sunscreen
Comfort and visibility, all year round. This screen shields your cabin from heat build-up on sunny days and prevents ice forming on your windscreen in freezing temperatures.

2. Trunk organizer, foldable
Perfect for quickly organizing and securing any kind of supplies, folding away flat making room for your next errand. With practical carrying straps and handholds for convenient transport outside your car. Branded with Hyundai logo.

3. Rear seat entertainment cradle for iPad®
Movies, apps, music and more. Your backseat passengers can enjoy full iPad® use with this cradle, conveniently mounted on the front seat back. It can be tilted and rotated for the perfect viewing angle.

4. Business suit hanger
Crease-free clothing on arrival. Attach it easily to the front seat, then hang it in your office or hotel room. Must be removed if the rear seat is occupied.

5. Armrest with a storage box
Convenient support and handy storage in one. Mounted on the driver's seat, this adjustable hinged armrest features a convenient compartment for keeping small items.

We're big on protection.

Come summer sun or winter snow, the all-new i10 is your clever companion for the city streets and country roads. And no matter where your busy life takes you, Hyundai Genuine Accessories offers a wide range of stylish and practical solutions that will keep your i10 protected and looking just as good as the day you bought it.

1. All weather mats, with grey accent
However extreme the weather, however extreme your adventure, these durable and easy-to-clean floor mats form a protective layer against wet, muddy or sandy shoes.

3. Trunk liner
From gardening tools to family pets – some cargo can be potentially wet or grimy. This durable, anti-slip and waterproof liner with raised edges will keep your trunk clean nonetheless.

2. Textile floor mats, velour
Introduce a good-looking yet hard-wearing floor covering to your vehicle in high-quality velour. The tailor-made mats feature the i10 logo in the front row and are held in place with fixing points and anti-slip backing.

4. Textile floor mats, standard
Guard your cabin floor from everyday wear, with this protective covering of hard-wearing needle felt. Made-to-measure, featuring the i10 logo in the driver's mat and anti-slip backing.

5. Trunk mat, reversible
This dual-function trunk mat has the soft cushioning of high-quality velour for sensitive cargo, and an anti-slip dirt-resistant surface for more rugged transportation.

8. Mudguard kit, front and rear
Driving in bad weather or on rough terrain, these sleekly shaped custom-made mudguards form an effective shield protecting the underbody, sills and doors of your i10.

9. Side door mouldings
Enhance your style, protect the looks. These mouldings add dynamism to your i10's exterior while protecting the side bodywork from potential damage. Not compatible with decals, speed stripes.

10. Door handle recess protection foils
Door handle recesses are particularly prone to potential wear over time. These foils counter this issue, keeping your paintwork here looking like new and free of any fingernail or key scratches.

6. Rear bumper protection foil, black
Covered and carefree. This black film gives you the peace of mind of knowing that the top surface of your rear bumper is protected from scrapes and scuffs. Not compatible with rear bumper trim line.

7. Rear bumper protection foil, transparent
Effective and simple protection where it's most needed: this discreet transparent foil shields your rear bumper from loading and unloading damage. Not compatible with rear bumper trim line.
