

HKB64540NB BI Hob

MORE CONFIDENCE IN THE FLAME

The AEG gas hob with FlameLight adds a new level of safety and confidence to cooking with gas. The bright LED lights tell you at a glance if a burner is turned on or off, and if a pan support is still hot after use. So you can concentrate on making great-tasting food.

HEAT INDICATORS FOR INSTANT INFORMATION

No more guessing if your burners are turned on or off. FlameLight LED indicators let you clearly see at a glance if the knobs are turned on or off. And a useful residual heat indicator offers instant visual feedback on whether any pan supports are still hot.

WARNING BUZZER IF FLAME LEFT ON

With this hob, you will never leave the gas on again. If a control knob is turned on for a long period, it will cause a buzzer to sound, reminding you that you need to turn off the flame.

More Benefits :

- The hob comes complete with a convenient minute minder, allowing you to monitor the progress.
- This feature enables you to switch on your cooker hood and lights as you start cooking on your hob.
- Maximum heat generated through the new multicrown burner for wok cooking and great taste.

Features :

- Hob type: Gas on Glass
- Rotary knob controls
- Controls position: Front Right
- Illuminated controls
- Digital indications for each zone
- Left rear zone: Mariane, Semi Rapid Burner , 2000W/80mm
- Middle front zone: No , 0W/0mm
- Right front zone: Auxiliary Burner, Mariane , 1000W/65mm
- Right rear zone: Mariane, Semi Rapid Burner , 2000W/80mm
- Acoustic signal
- Integrated electric ignition through control knob
- Gas safety thermocouples: gas is cut off at source if the flame fails
- Cast iron pan supports
- Gas conversion kit
- Main colour: Black

Technical Specs :

- Product Installation : Built_In
- Product Typology : Gas_Hob
- Product Classification : Exploration
- Installation : Independent
- Size : 60
- Hob type : Gas On Glass
- Design family : AEG
- Main colour : Black
- Control Panel material : Glass
- Knobs colour : Black, Stainless Steel
- Top Control Place : Front Right
- Type of controls : Knobs
- Control function : Acoustic signal, Hob-hood connection, Minute minder
- Other comments categorisation : LED; H2H
- Width mm : 590
- Depth mm : 520
- Built in height mm : 40
- Width cutting : 560
- Depth cutting : 480
- Radius cutting : 10
- Fastening : Fixing Clamps
- Gas original : G20 (2H) 20 mbar
- Gas replacement 2 : G30/G31 (3+) 28-30/37 mbar, With Additional Injectors
- Gas replacement 3 : G30/G31 (3B/P) 30/30 mbar, with additional injectors
- Gas category : I3B/P, II2H3+, II2H3B/P
- Frequency : 50/60
- Voltage : 220-240
- Cord length external : 1.1
- Type of plug : UK Moulded
- Connector type : Conic gas elbow
- Ignition : On Control Knob
- Hob safety : Thermocouple
- Programmed plate : No
- Hob pan support : 2, Cast Iron
