Things to think about before your home visit

1 How would you like to use your kitchen?

Kitchens today don't have to be all about cooking, think about how you'd like to use your dream kitchen

- | | | | |
|---------------------------------------|-----------------------------------------|---------------------------------------------------|-------------------------------------------|
| <input type="checkbox"/> Baking | <input type="checkbox"/> Enjoying meals | <input type="checkbox"/> Entertaining/Socialising | <input type="checkbox"/> Working/Homework |
| <input type="checkbox"/> Pet friendly | <input type="checkbox"/> Accessibility | <input type="checkbox"/> Environmentally friendly | <input type="checkbox"/> Practicality |

Wickes

Did you know?

Our installers undertake building work, including removal of walls, plumbing and electrics

2 What's your style?

A good starting point is to consider the overall look you want to achieve from your new kitchen. There are lots of places to look for inspiration, such as the Wickes Kitchen brochure, Pinterest boards and even visiting your local Wickes Showroom.

- | | | | |
|---------------------------------------|--------------------------------------|------------------------------------------|------------------------------------------------------------------|
| <input type="checkbox"/> Modern | <input type="checkbox"/> Traditional | <input type="checkbox"/> Neutral colours | <input type="checkbox"/> Happy to discuss options and new trends |
| <input type="checkbox"/> Bold colours | <input type="checkbox"/> Matt finish | <input type="checkbox"/> Gloss finish | |

3 What appliances would you like?

Set your kitchen off in style with new appliances. There's lots to think about so we have included a handy guide in the next couple of pages to help your Design Consultant recommend the right products.

Wickes

Did you know?

You can now buy appliances that you control from your smartphone or tablet

4 How would you like to complete the look?

Worktops, tiles, splashbacks and flooring are all ways to bring more character in to your kitchen. Do you already have some ideas in mind?

- | | | |
|-------------------------------------------|------------------------------------------------|------------------------------------------------|
| <input type="checkbox"/> Wooden worktop | <input type="checkbox"/> Solid surface worktop | <input type="checkbox"/> Splashback |
| <input type="checkbox"/> Laminate worktop | <input type="checkbox"/> Tiles (wall & floor) | <input type="checkbox"/> Luxury vinyl flooring |
