

Introducing the daily favourite defender

Excellent performance in under an hour with the ÖKOPower programme. Optimized for your daily favourites, it thoroughly cleans a mixed load in only 59min. Efficient cleaning at lower temperatures is enabled by our unique pre-mixing technology. For outstanding care with less energy consumption.

Product Benefits & Features

Precise detergent dosage. Precision care

AutoDose intelligent sensors calculate the precise amount of detergent and softener, protecting clothes from early aging caused by overdosing. Cotton clothing will resist tearing for three times longer. *applying force on cotton washed in 30°, automatic dosing, 30 washes AEG vs.10 washes competitor.

- LogiControl™ touch display
- LED display
- 9 kg wash capacity
- 1600 spin speed RPM
- Programmes include:
 - Wool plus programme
 - Delicate programme
 - Cottons programmes
 - Synthetics programmes
- Options include:

Every fibre cleaned and protected

In a standard washing machine less than a third of fibres are reached by the fabric softeners you use. With ÖKOMix, every trace of detergent and softener is mixed with water, dissolving and activating it completely before it even enters the drum. It's the first washing machine technology ever to

Next-generation laundry. With My AEG Care app

Experience customised care by connecting laundry appliances to My AEG Care app. And utilise AEG expertise from anywhere. Set tailored programmes remotely, get cycle recommendations for your garments and receive notifications when your laundry is ready. Custom laundry care at your fingertips.

A more efficient daily wash

ÖKOPower is the daily washing programme that gives you everything you need. Wash clothes in only 59min with great results and less energy consumption. It's the ideal programme for daily use with no compromise on performance or sustainability.

Less ironing. Clothes refreshed

These AEG washing machines use steam as a quick and easy way to refresh creased clothes so they're ready to wear. The short, gentle steam programmes safely remove odours and reduce creases in dry fabrics. Or you can finish your wash cycle with a gentle steam so clothes need little to no ironing.

Product Specification

Water cotton 60	55	Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	57
Drum volume	69	The energy consumption of the eco programme in kWh per cycle (EU 2017/1369)	0.569
Motor System	Permanent Magnet	Max spin speed, rpm	1551
Dimensions (mm) (HxWxD)	847x597x631	Residual humidity, %	50
Depth max, mm	660	Airborne acoustical noise emissions (EU 2017/1369)	75
Wheels/feet	4 adj feet	Full load capacity, kg WashCapacity	9
Cord Length	1.5	Duration of eco 40-60 programme in hours and mins at rated capacity (EU 2017/1369)	3:40
Inlet hose length (mm)	150		
Outlet hose length (mm)	145		
Connected Load	2200		
Voltage	230-240		
Required Fuse	13		
Frequency	50
